What is the Grandparent and New Resident Special?

This is a courtesy from the Hampton Heights Pool to **grandparents** and **new residents** that live in the neighborhoods immediately adjacent to the pool: Forest Heights, Hampton Park, and Escoe Estates. We know that grandparents may not use the pool enough to justify a full season membership, but would love to utilize it while grandchildren are visiting. Also, brand new residents may have not had the opportunity to join before membership filled up. This special allows them to enjoy the pool for a bit of time without having to commit to the entire season or missing out entirely.

Please contact Whitney Alverson at fhppool@gmail.com for questions and scheduling.
